Synopsis

Spiritual Warfare During Your Sleep, explains how the enemy attempts to pollute the dream life of unsuspecting victims. This book provides information to help you recognize when the enemy is launching an attack, stealing from you, or afflicting you with sickness during the sleeping hours. Once you know how to deal with dreams that are being manipulated, you can pray specifically to cancel them and obtain your victory. When you gain a deeper understanding and learn how to deal with these type of dreams you will experience greater triumphs in your life. This book includes prayers to break curses of poverty, sickness, etc., and tools to help you interpret your dreams. After reading this book you'll experience deliverance and increase revelations in understanding dream warfare. You shall pursue, overtake and recover all that was stolen from you (1 Sam 30:8), in Jesus Name.

Customer Reviews

The book focuses on an aspect of spiritual warfare that is hardly studied, and that is in the area of sleeping and dreaming. The author clearly has insight into dreams and demonic attacks while sleeping. The first night I started reading it, I had some weird dreams that I was able to renounce

and rebuke in the name of Christ while asleep. I know that this ability was the direct result from reading the book and learning something in the process. Positives: the content is excellent and beneficial. The book is short and an easy read. The author offers many combat prayers and protection prayers for the reader to recite prior to sleeping. Negatives: there are grammatical errors that distract the reader at times, and the format is not solid in the Kindle version I purchased with several blank pages at the end of the book. Fortunately, I was listening to it on audible mode and still heard the content. If the book had been better formatted with little grammatical error, I would have given it a 5-star. I gave it a 4-star because of that fact. Again, the content is good and at \$2.99, it is a worthwhile read.

The author presents very intriguing and potentially helpful material for those who might be drawn to spiritual warfare, but it is hard to rate the content itself because the material itself was mostly unreadable. The book was not well developed and the lack of proper English grammar and syntax made various sections almost unreadable and extremely difficult to understand. The author would do well to use an editor to do extensive work to make the subject matter readable and more clear so that the reader can better appreciate what the author is trying to convey. At present, the work is filled with grammatical errors, unfinished and incomplete sentences and paragraphs, and a lack of organization that would enable the reader to follow the flow of what the author is trying to communicate. I think that the material could be really great if the material was reworked.

The concept of dream invaders is very interesting in light of spiritual warfare. When I think of evil dream invaders, I think of nightmares. So the idea that the enemy continues to war against us in our dreams and not necessarily through nightmares did not occur to me until I read the book. She teaches that eating foods in your dreams suggests that the enemy is giving "loads" that can result in sickness, poverty, and set backs. The dreamer combats these dreams through canceling the intrusions by using Scripture as prayer points. I am in the process of studying how this teaching lines up with the Word.

I am half way through this book and I am giving it a review because it has shifted my Prayer Life. I have been looking for someone to touch on this subject and found this book on . Churches don't even touch on this subject. I have been experiencing Spiritual Warfare in dreams for a long time and did not understand some things. I highly recommend this book. YES there are some grammatical errors, but when you read it, you do understand what she is saying. I thank God for this book and

again I HIGHLY RECOMMEND IT!!!

Often people fall asleep not knowing they have control over their dreams and the outcome of their dreams. This book teaches how to wage warfare while sleeping to prevent the enemy from sowing tares in your garden while asleep.

ALISHA BANNER HAS CAPTURED A SUBJECT MOST PEOPLE DO NOT KNOW WHAT TO BELIEVE WHEN THEY ARE ASLEEP. SHE BACKS EVERYTHING UP WITH SCRIPTURE AND TEACHES US HOW TO PRAY IN THESE SITUATIONS. ALISHA EXPLAINS IN DETAIL HOW THE ENEMY OPERATES AND STEALS THE PROMISE GOD HAS GIVEN US IN HIS WORD. OUR IGNORANCE OF THE WORD OF GOD AND OR LACK OF KNOWLEDGE ON SUCH SUBJECTS LEAVES US WIDE OPEN FOR ATTACK AGAIN AND AGAIN. WE ARE RESPONSIBLE FOR OURSELVES SO IF YOU WANT TO CHANGE YOUR LIFE FOR THE BETTER AND WAKE UP BETTER THIS IS A MUST READ. I DIDN'T EVEN KNOW THIS BOOK EXISTED UNTIL I SAW IT ON .COM SHE TALKS ABOUT STUFF I HAVE EXPERIENCED MYSELF AND WAS FREAKED OUT AND HAD NO ANSWERS TO KNOW WHAT TO DO. I NOW UNDERSTAND WHAT HAPPENED WHEN I WAS VERY YOUNG THE FLYING OVER TREES AND WATER CAUSING ME TO WAKE UP IN A SWEAT AND IN FEAR. THERE WERE TREATORS A TYPE OF WITCH IN THE IMMEDIATE FAMILY, I WOULD WATCH BUT TOO YOUNG TO UNDERSTAND I NOW UNDERSTAND AND KNOW HOW TO TAKE AUTHORITY OVER THE SITUATION AND CAN HAVE PEACE OF MIND. I AM NOW IN MY 50'S AND JUST FINDING OUT THE TRUTH AND HOW TO GET THIS GARBAGE OUT OF MY LIFE. THANK YOU ALISHA BANNER FOR BEING A BRAVE SOUL AND WRITING THIS POWERFUL BOOK. SPIRITUAL WARFARE DURING YOUR SLEEP, DEALING WITH DREAM INVADERS.

God speaks to me in my dreams from time to time, so when I stumbled upon this book I thought it would be a great read. My hope was that it would give me a deeper insight into how God deals with us in our dreams. After reading the book I was sorely disappointed! I understood everything Dr. Banner was saying, but the writing did not flow together for me. It felt scattered. I believe the lack of flow in writing this book made for a bad read. I sincerely believe that Dr. Banner wanted to bring understanding to the believer on how God speaks to us through dreams, but for me this book missed the mark.
