Age Range: 2 - 5 years

Grade Level: Kindergarten and up

Customer Reviews

I like the content of the book. It has great pictures. I wish that the book was larger. When reading to a large group of Kindergarten students, it is hard to see.

We are using this book to introduce the concept of weighing things to my six year old. He loves it.

The Math Counts series is wonderful. Beautiful photos and a wonderful addition to my classroom library.
