Customer Reviews

The FODMAP diet is new to us so we needed a really good book on how to follow it and make tasty meals. After giving several a good, my son is in love with the Vanilla Coconut Cupcakes and my husband wants me to make more of the Cilantro and Lime Grilled Shrimp. The recipes are clear and easy to follow. Highly recommended for a good diet whether you suffer from IBS or not.

There is a good deal of material in this book, meal plans and recipes, all of which are very easy with obtainable ingredients. I know my life will be much healthier.

Great book for learning more and following a low fodmap diet! I have gastroparesis and sibs and this really helps me find things to eat and learn more about my conditions.
