## Customer Reviews

Just like the 24 hour book for AA or the Just for Today for NA. this is the book for SA, SAA of SLAA

I am enjoying reading this meditation book. The meditations are short and sweet, but present some awesome truths. It provides me with encouragement, as well as things to think about.

I like this book. It isnt exactly based on religion and so I think that anyone can get something from it.

I find the positive message delivered by this book to be a tremendous help in my recovery from this debilitating disease.

Daily meditations for sex addicts -- an easy read of one page perfor each day of the year -- makes reflection easy -- keeps me focused on my recovery

I read this with my sponsee each morning over the phone, meditate on it and pray together. A good resource for those recovering from sex addiction.

I love this book. It's been a huge help to me and my recovery from addiction. There are quotes that start every devotional thought that are very inspirational points of view from not just Christian thoughts. The devotionals have so much wisdom and insight that one needs to recover from their addiction. Take time to soak these in through times of prayer with you Higher Power and know that there is hope for you. The end of the devotionals have a perfect summary of what you just read. It's been extremely helpful for me to write these affirmations down on a 3x5 card to remember what inspired me about the devotional. This book is a must have for anyone in recovery and contains hope for a better life and renewed sense of self image and lots of encouragement that you are not alone in this struggle.

I am in a number of fellowships. A recovery friend of mine recommended this book. It's great. It has short but meaningful recovery messages that I can use at any given moment. It's also small enough to fit in my bag so that I can have it wherever and whenever I need it.
