# Natural Healing With Cell Salts

## Synopsis

Well nourished cells provide us with the building blocks of health. So says Dr. Weintraub's *Natural Healing With Cell Salts*, the most comprehensive guide to cell salt therapy. This reference book provides an in-depth look at the delicate nature of our bodies' cells and how cell salts work to help maintain a proper balance. For trained health care practitioner and the inexperienced lay person alike, *Natural Healing With Cell Salts* gives invaluable information regarding the relationship between healthy cells and cell salts, how to select cell salts, and the specific salts and their uses for various ailments.

## Customer Reviews

This book is awesome and you can learn a whole lot in healing with tissue salts. There are 12 essential tissue salts that this book focus on. massage can improve symptoms. Calc phos Calc phos is important for the skeletal system, teeth and connective tissues. As a mineral compound, calcium phosphate constitutes over half of your bone structure. As a tissue salt, it is naturally helpful in healing fractures, for conditions relating to the digestive tract and for coldness and numbness from poor circulation. Calc phos is often beneficial for anemia as well as for poor growth and development in children. It can promote the development of teeth and help with teething problems or decaying teeth. It can also be used to speed recovery when convalescence from illness is delayed. Pains related to Calc phos tend to be worse at night. Calc sulph Calc sulph is a blood purifier that is often useful with acne, abscesses, ulcers and wounds that have become infected. Calc sulph closes and clears up an infection. This remedy is indicated for infections that are slow to heal, and when the

discharges are yellow, thick and possibly bloody. Calc sulph can prevent an oncoming cold or sore throat. Ferr phos Consider this tissue salt in the first stage of any inflammation where the skin or mucous membrane is red, painful and swollen. Ferr phos can relieve fevers, especially where the skin is hot and dry and the cheeks flushed. Typically, there will be thirst. The head may be congested and throbbing. Ferr phos is indicated with painful sore throats, laryngitis, earaches and similar inflammatory conditions in the beginning stages.
