# The Science And Engineering Of Materials: Solutions Manual

## Synopsis

This title provides the reader with an understanding of the relationships between structure, processing and properties of materials. The text is written as an introduction and no previous experience of the subject is expected of the reader.

## Book Information

Paperback: 408 pages

Publisher: Springer; 3rd edition (December 31, 1996)

Language: English

ISBN-10: 0412726106
