# Social Work Practice With Children, Third Edition (Social Work Practice With Children And Families)

## Synopsis

Widely adopted, this bestselling work provides the knowledge that social workers need for effective, culturally competent practice with children, adolescents, and their caregivers. The author presents a framework for developmentally informed assessment and intervention and describes a variety of powerful helping methods, illustrated with vivid case examples. Demonstrated are research-based strategies for working with victims of abuse and trauma as well as children affected by poverty, divorce, parental substance abuse, and other adverse circumstances. Special features include instructive discussion questions and role-play exercises. Reproducible assessment forms can also be downloaded and printed in a convenient 8 1/2" x 11" size. **Â New to This Edition** \*Updated to incorporate current research on child development, attachment, and trauma. \*Chapter on bullying. \*New discussions of autism, childhood obesity, and blended families. \*School social work chapter has been extensively revised. \*Expanded examples of group work, including groups for children with ADHD and crisis groups following disasters.

## Customer Reviews

I needed this book for my graduate course. Surprisingly, it was a great read. It was easy to understand the author, she used words for everyday people. Case examples throughout were helpful. Enjoyed the story of Barbie and her family. Kindle edition offers a website for print outs of the tables and documents from the book.

This book is so informative and detailed. An excellent choice if you want to work with children and families. Nancy Webb doesn't leave any stone unturned

This book has great material and case scenarios. It is a great help/guide for social workers to use with families/children

Love the book, it has been useful for my master in social work. It helps when you are interested in counseling

Bought for a class. This is one of the better texts that I have used.
