Blessed Bi Spirit: Bisexual People Of Faith

Synopsis

Reflecting a wide spectrum of religious tradition and spiritual paths--including Buddhist, Hindu, Pagan, 12-step, Christian and Jewish--over 30 contributors speak about the intersections of their faith practice and their bisexuality.

Customer Reviews

My lover/partner/friend/conspirator gave me this book last night. As he walked away, I clutched it to my chest and began to cry.... I have not finished reading it, but have only put it down long enough to sleep a few hours(at my lover/partner/friend/conspirator's insistance), eat and now write. I have not been so overwhelmed with a feeling of coming home since reading Bi Any Other Name ten years ago.This is, literally, the answer to my prayers! As a bisexual Catholic I have struggled many years with my spiritual and sexual identities with little guidance from others who could not understand and therefore could not speak.At last I have found others who share my struggle! Thanks to all who helped make this book possible! I hope you are as richly blessed as this book has so richly blessed me.

First, a conflict of interest disclosure: I am one of the contributors to this anthology. And I must insist that you buy this book anyway. It is one of the best anthologies on the bisexual experience I've encountered, and believe me I've read them all. Deb Kolodny has a good ear and a deft editing hand, and she compiled a superb collection of insightful, well-written pieces. The anthology reflects

the glorious diversity of the bi movement, and the unique contributions of bisexuals to their spiritual communities.

Fantastic book! Required reading in my opinion.
