ENRAPTURED: THE RENOUNCEMENT is the seventh novella in the *Erotic Adventures of Jane in the Jungle* series. Each novella is a short episode in a continuing serial of the story. I began reading the novellas. They are at times silly and over the top, but I find them fascinating in an odd way. Jane has a lot of sex with a lot of people (while being in love with the Tarzan of the series). She is alternatively abused, forced and coerced into her sexual encounters which she enjoys. The series is definitely erotica and while there isn't any deep story or character development, I really enjoy reading these novellas. In this novella, Jane has been taken captive by the queen who has made Jane her sexual slave. As this novella starts, Jane's love has located her and readers get to find out

what happens (hint -- the title itself is a spoiler). This novella begins immediately after the previous novella's end and ends on a cliffhanger. I recommend that readers begin with the first novella of the series.

Colette Gale is one superb author on the Whole series of erotic Jane of the jungle grouping! These are some of the most exciting and interesting books, of which, I have ever read! Kind of like the Tarzan Movies that I used to watch as a child!

Loved it!
